THE DISCHARGE THAT STALLS

Stairs at home? That is what Two-Men Assist is for.

A third-floor walk-up, a brownstone stoop, a family that cannot carry the patient. We send two trained attendants who bring the patient up the stairs and into their home. No stair lift needed. Just tell dispatch the floor and whether there is an elevator.

How to book for a patient

1. **Call (212) 705-8773**, any hour, or email info@nycwheelchairtransportation.com.
2. **Give the details:** addresses, date and time, wheelchair, stretcher or ambulance, and the floor at home.
3. **Get the price on the call**, address to address, before anything is dispatched.
4. **The crew comes to the unit** and takes the patient room to room.

Good to know

Private pay only

We do not bill Medicaid or insurance. Patients with Medicaid transport should book through their plan.

Staff or family can book

Your team can call for the patient, or hand the family our number.

Standing schedules

Dialysis and recurring appointments booked once, run every week.

Where we pick up

Manhattan · Brooklyn · Queens · The Bronx · Staten Island · Nassau · Suffolk · Westchester · New Jersey · Long-distance

Start with one unit

No contract, no paperwork. Send us one unit's next discharges that need stairs help or a stretcher, and judge us on how they go.
